Emulate McNamara and

Railways Warn Patrons
of Danger From the
Insane Women.

(By Federal Wireless Telegraph.)
LONDON, April 4.—(Special to The Advertiser).—Using a clock contrivance similar to that manipulated by John McNamara, the American dynamiter, militant suffragettes today dynamited the railroad station at Oxford. The clock was set for three o'clock this morning and was found in the wreckage, with a loaded revolver. Militant placards posted in conspicuous places announced that suffragettes were responsible.

The station was damaged somewhat, but so far as is known no one was injured. Two young women were arrested in South London carrying suitcases containing explosives and combustibles. They admitted they were militant suffragettes and were retained for trial on a preliminary hearing in the Croydon police court.

"Beware of how you treat Mrs. Pankhurst" is the new slogan of the suffragettes. The militants openly threatened retaliation for the three-year sentence imposed on their leader. As a result the Great Western and Midland Railways today issued a general warning to the public and stationed extra guards at their stations, tunnels and tracks.

The two girls arrested in South London were captured before they had accomplished any damage.

American Girl in Jail.
Angered by the words: "For God's sake save my daughter," in a letter written him by Mrs. Emerson, mother of Miss Zelle Emerson, the American suffragette now in Holloway prison here, Home Secretary McKenna absolutely refused to release Miss Emerson or answer the letter today.

After being advised by Secretary Langbein, of the American Embassy, that her actions were "un diplomatic," and hindered her daughter's chances of liberation, Mrs. Emerson rushed into the Home Office and demanded that her own physician be allowed to see her daughter. The demand was refused. It is stated that Miss Emerson is still being forcibly fed and is near death in the prison.

Try to Wreck Train.
(By Federal Wireless Telegraph.)
STOCKPORT, England, April 4.—(Special to The Advertiser).—Suffragette threats of imperiling human life in retaliation for the three years imposed in London yesterday on Mrs. Emmeline Pankhurst were made good today, according to allegations of railroad officials, when explosives partially wrecked a London and Northwestern Railroad train near here, the carriages were mostly empty at the time and the passengers escaped injury.

Eleven car cars were in the train, the bomb exploding in the third class carriage.

Examination showed the car had been saturated with resin and fragments of a tora powder canister were found. The police are working on the theory that militant suffragettes are responsible for the outrage.

WASHINGTON, April 5.—(By Associated Press Cable to The Advertiser).—Through her ambassador, Viscount Clunda, Japan formally lodged a protest yesterday with the state department against the proposed enactment of a statute by the California legislature which prohibits aliens not eligible to become citizens of the United States from owning or leasing land in the State. The Japanese protest is based on the rights guaranteed by treaty to the subjects of the Mikado, the treaty clause invoked stating that the subjects of Japan shall have all rights to carry on business within the United States that are given to the subjects of any other power.

Although the California legislation, which was endorsed on Thursday by Governor Johnson, does not specify in its terms, it is generally regarded as being aimed directly at the Japanese resident in that State.

WASHINGTON, April 4.—(Special to The Advertiser).—IT MAY BE SAID THERE IS NOTHING CERTAIN AS TO TARIFF RATES. LAST NIGHT THE WHITE HOUSE FAVORED FREE WOOL, FREE SUGAR, FREE STEEL RAILS AND IRON ORE, AND DRASTIC REDUCTION ON VARIOUS OTHER SCHEDULES.

THIS MORNING THERE WAS A SHIFT AND INSTEAD OF FREE SUGAR THE PRESIDENT IS NOW SAID TO HAVE ADVISED THE REPRESENTATIVES AND SENATORS FROM LOUISIANA THAT HE WILL RECOMMEND TO THE DEMOCRATIC CAUCUS NEXT TUESDAY THAT SUGAR CARRY ONE CENT A POUND FOR THREE YEARS AND AFTER THAT GO ON THE FREE LIST.

THIS MAY ALL BE CHANGED, HOWEVER, WITHIN THE NEXT THREE DAYS, FOR THE LOUISIANA DELEGATION AND REPRESENTATIVES FROM THE BEET SUGAR STATES SAY UNLESS THERE IS REAL PROTECTION AS CARRIED IN THE PAYNE LAW, THE MANUFACTURERS WHO HAVE \$70,000,000 INVESTED IN THE INDUSTRY, MIGHT AS WELL GO OUT OF BUSINESS.

THEY SAY THEY WILL FIGHT WHEN THE TARIFF BILL COMES TO THE SENATE.

PRESIDENT MAY YIELD.
SENATORS SIMMONS, STONE AND HOKESMITH, ALL MEMBERS OF THE FINANCE COMMITTEE HAD A LONG CONFERENCE WITH PRESIDENT WILSON. AT ITS CONCLUSION SENATOR SIMMONS, CHAIRMAN OF THE COMMITTEE, SAID THE CONFERENCE HAD BEEN IN EVERY WAY SATISFACTORY TO THE SENATE MEMBERS.

A SWEEPING CANVASS OF THE SENATE HAS BEEN UNDERTAKEN TO DETERMINE JUST HOW FAR DEMOCRATIC LEADERS OF THAT BODY WILL GO IN SUPPORT OF THE POLICIES LAID DOWN BY THE PRESIDENT AND IT IS REPORTED THAT A MAJORITY HAS BEEN FOUND AGAINST ANY FREE SUGAR POLICY.

THE DECISION TO PUT RAW WOOL ON THE FREE LIST AND THE TARIFF OF FREE SUGAR HAVE STIRRED UP THE DEMOCRATIC FORCES OF THE SENATE TO SUCH AN EXTENT THAT MEMBERS OF THE FINANCE COMMITTEE TOLD THE PRESIDENT SOME IMPORTANT CHANGES WOULD HAVE TO BE MADE IN THE PRESIDENT DRAFT OF THE BILL IF IT IS TO MEET WITH CORDIAL RECEPTION.

INCOME TAX RATES.
WASHINGTON, April 4.—(Associated Press Cable to The Star-Bulletin).—Although President Wilson desires free sugar, it is learned today that he may concede a duty of one cent a pound for the present, on the representations of the Louisiana senators that otherwise it will be impossible for him to get free-wool bill through congress, particularly the upper house.

The President is emphatic in his stand that all sugar traffic must expire in three years. The estimated loss of revenue to the government, eighty million dollars, is expected to be supplied by the operations of the new federal income tax. The tax, according to plan now being worked out by Democratic leaders, will fix rates probably as follows:

On incomes from \$4000 to \$20,000, one per cent.

On incomes from \$20,000 to \$50,000, two per cent.

On incomes from \$50,000 to \$100,000, three per cent.

On all incomes above \$100,000, four per cent.

On corporations, two per cent flat.

SITUATION AS IT WAS TWO WEEKS AGO

By Ernest G. Walker.

(Mail Special to The Advertiser.)
WASHINGTON, March 29.—A somewhat disquieting note comes out of last administration efforts to restore tariff harmony. It is the administration talk about enacting the tariff bill in the senate, just as it passes the house. Some high sounding phrases are heard in that connection. Claims are made that with harmony between the ways and means committee of the house and the finance committee of the senate and President Wilson cooperating with both committees and putting this O. K. upon the tariff revision bill as it passes the house, speedy action, without amendment, is feasible in the senate. Thus the congress can enact a tariff revision bill in a couple of months and, possibly, go right home without doing much else.

Of course it has been pretty well understood that the house proposes to enact a provision for free sugar. The chances favor the sending of a free sugar provision to the senate. Now if the senate were to pass the tariff revision bill without amendment why that would mean free sugar, disastrous to Louisiana, to Hawaii and, presumably, to the beet sugar interests in many States.

Efforts toward a harmony program on tariff between the two houses of congress there certainly are. But old hands at Washington are a little slow about accepting the harmony talk as a foregone conclusion that the senate will pass the house tariff bill unamended. One would almost say that the talk was pure balderdash and could not be evaluated. But there is another reason, details of which have been set forth in previous letters to The Advertiser. There are Democratic senators who will not vote for free sugar, including the two senators from Louisiana and, presumably, the two senators from Colorado. Also, possibly, others.

Now, with the election of Henry Hellis, as a Democratic senator from New Hampshire, the majority party has fifty free votes. Republicans now have forty free votes. There are two vacancies from Illinois, which may be filled any day. As matters stand now four Democratic votes in opposition to free sugar could prevent the passage of the bill but if Illinois sends a Democratic senator or two the situation for sugar duties might become precarious.

CAIRO LEVEES ARE HOLDING SAFELY

CITIZENS BELIEVE PLACE WILL
BE SAVED—LEVEES ARE
BREAKING ELSEWHERE.

(By Federal Wireless Telegraph.)
CAIRO, Illinois, April 4.—(Special to The Advertiser).—With the levees here holding and the crest of the flood about reached it was believed today that Cairo would be saved from destruction by flood waters.

A river steamer today rescued thirty refugees at St. Louis Landing. Rain last night added to the suffering of refugees at Gregory Heights.

Reports received here say that Shawnee Town is about out of provisions.

Hundreds of men are working on the levees and it is now believed they will hold.

Inglewood Levee Goes.
(By Federal Wireless Telegraph.)
EVANSVILLE, Indiana, April 4.—(Special to The Advertiser).—The levee at Inglewood, west of here, collapsed today, flooding more than two hundred homes. No deaths have been reported. The north section of the town is under water, all business is conducted in boats.

Tennessee Struck.
(By Federal Wireless Telegraph.)
MEMPHIS, Tennessee, April 4.—(Special to The Advertiser).—More than 500 homes were demolished at West Hickman at noon today when the levee there collapsed. No deaths have been reported.

Dayton Still in Trouble.
(By Federal Wireless Telegraph.)
DAYTON, Ohio, April 4.—Special to The Advertiser).—Railroad tracks were washed out in last night's heavy rain near Zanesville. It rained in Dayton this morning and certain of the city's districts are inundated by a few inches of water. No damage, however, has been reported.

High winds today threaten the east bank of the grand reservoir at St. Marius. Hundreds of men are strengthening its banks.

WOULD EXTEND SCOPE OF RELIEF MONEY

With new emergencies in the flood districts of the Middle West and South apparently at hand, the house yesterday tabled the Flood Relief Bill, which came from the senate and recommended the passage of the house bill by the senate as a measure better fitting the case.

The finance committee of the house, in taking action, declared the senate bill "not elastic enough to cover the probable needs of the stricken people and it restricts the relief to \$5000 each to the States of Ohio and Indiana."

The committee report also says: "It is our opinion that the relief can be more intelligently disbursed if the entire matter is left to the discretion of the governor, who can act in such manner as the latest news from the flooded district may dictate."

For all of these reasons the bill was tabled and the house bill in the senate, which gives the Governor more discretion, will probably now be rushed ahead.

Local interest in the news from the flood district continues, and while the committee of the Buckeye Club, headed by W. D. Westervelt and Charles A. Cottrill, has not been soliciting further funds the subscriptions have kept coming in.

SUFFRAGETTES WISH TO BE PRESENTED, SAYS CANNON

DANVILLE, Illinois, March 21.—"Woman suffrage would never become a law if the women themselves were allowed to vote for and against." So said Uncle Joe Cannon, private citizen.

"I would be perfectly willing," he remarked, "to leave the question of whether women shall vote to the women themselves. It would be defeated. The majority of women would vote against it."

"These women suffragettes are looking for persecution. They want persecution; they get in the way of it—and they are getting it. Why, down there in Washington the police did everything they could to handle the crowds, but when every train poured thousands of people into the little town it naturally got a little crowded. Pennsylvania avenue was supposed to be closed between the hours of three and five o'clock. But the women wanted to parade. The town was packed. If any women were persecuted at that time by the police, or any one else, it was because they wanted to be. These suffragettes just delight in persecution. They love to be kicked and cuffed, so they can holler about it."

SAN FRANCISCO, April 5.—(Special to The Advertiser).—Fragrant Albia Kawanao, driven to desperation by an affection of the eye, which the world's great specialists have failed to cure, is on her way to New York where she hopes to undergo treatment by Doctor Friedmann. Thus far Doctor Friedmann's experiments have been confined to the eye and it is doubtful whether she will get a hearing.

Only today news came from New York that Doctor Friedmann had refused an offer of \$5000 for a single injection of his serum, regardless of the results, according to W. E. D. Stokes and Colonel Asa Bird Gardner.

Dr. Stokes was made by a man worth \$200,000, who has made three trips to New York within three weeks and has pleaded in vain for an injection of the cure.

The reason given for Doctor Friedmann's rejection of the offer was that he had agreed with the United States Marine Hospital officers not to accept any cases except those of their choosing.

(By Federal Wireless Telegraph.)
LONDON, April 5.—(Special to The Advertiser).—Aylesbury Prison, situated on a lonely spot forty miles from here and a place where a demonstration will lose its effectiveness, is now the home of Mrs. Emmeline Pankhurst, the convicted suffragette bomb-maker, for the next three years. This was the gist of a sensational statement from the Home Office today.

Militant suffragettes, netting as pickets, have been walking around Holby Prison, where Mrs. Pankhurst is at present confined, since the passing of the penal sentence upon their leader, On Hunger Strike.

Mrs. Pankhurst has eaten nothing since receiving the sentence, but as yet no attempt has been made to forcibly feed her. If she continues her hunger strike she will be released whenever the prison doctors report that further confinement will be fatal to her.

No arrests have occurred yet in connection with the Oxford and Stockport explosions, alleged to have been perpetrated by suffragettes.

CAIRO STILL ON ANXIOUS SEAT

RIVER RISING AND LEVEES ARE
THREATENED—STILL
HOLDING.

(By Federal Wireless Telegraph.)
CAIRO, Illinois, April 5.—(Special to The Advertiser).—With the river rising slowly and a choppy wind whipping the flood waters into fair sized waves, there by adding to the pressure on the levees, the situation here today was regarded serious. It was believed, however, that the levee would hold.

Reports received here say that the levee is gone at Point Pleasant, Missouri. If this is true it will relieve the flood situation here.

Memphis Flooded.

MEMPHIS, Tennessee, April 5.—(Special to The Advertiser).—The levees confining the waters in the Bayou Gayoso on the south side broke today, flooding five city blocks. No deaths were reported.

The break will cover that section of Memphis flooded last year.

MORE FUNDS POUR IN FOR FLOOD SUFFERERS

Feeling that Hawaii has done its share in relief work, the Relief Fund Committee has decided to close the fund next week. Generous response from every island in the group met the appeal for assistance for the sufferers, and up to date Hawaii stands second to none, in comparative size, to the number of contributions received.

BERLIN, April 5.—(Special to The Advertiser).—Official circles in Germany scout the suggestion made yesterday by the Frankfurter Zeitung for the holding of an international conference to evolve a plan for the restriction of armaments. It was declared that Germany is "utterly disinclined to consider proposals for disarmament."

The German foreign office regards the proposal for an international conference as merely a political move in the campaign waged by the Frankfurter Zeitung against the new military bill and says that the suggestion is not entitled to any sympathy in Germany.

AUBURN, New York, April 5.—(Special to The Advertiser).—Bloody fighting again marked the strike here today of workers in Auburn's big twin mills.

The trouble started when three hundred men stormed machine shops entering the International Harvester's twin mill and the Columbia Rope Company. Soldiers and police dispersed the crowd, but not until after a number of the combatants had suffered broken heads.

Two companies of militia, who arrived here today to maintain order, were ordered to "shoot to kill" if yesterday's trouble, when four men and two women were shot by police, is repeated.

SALT LAKE CHAMPIONS DEFEAT ALL-CHINESE

SOFIA, Bulgaria, April 5.—(Special to The Advertiser).—The Balkan Allies today submitted to the Powers their formal reply to the suggested bases for peace negotiations with Turkey. The reply purports to be an acceptance of the mediation conditions, but the acceptance is subject to reservations which practically repudiate the proposed terms. The propositions of the Powers were as follows:

1. The frontier of Turkey shall start at Enez and end at Modir. All territory west of this line shall go to the Allies, with the exception of Albania, the delimitation of which shall be fixed by the Powers.
2. The question of the Aegean Islands shall be settled by the Powers.
3. Turkey shall abandon all claims to Crete.
4. The Powers cannot favorably entertain the demand for indemnity.
5. As soon as the bases are accepted hostilities shall cease.

Counter Proposals.

The reply of the Balkan Allies contains the following counter propositions.

1. Indefinite determination of the frontier of the Province of Thrace, the line indicated in the conditions formulated by the Powers to be taken as a basis and not as a definite line.
2. The Islands in the Aegean Sea shall go to the Balkan Allies.
3. The Allies consider they should know beforehand the frontiers proposed for the future State of Albania, trusting they will be in conformity with those proposed in London.
4. The Allies' demand for a war indemnity must be accepted in principle, the task of fixing the amount being left to a commission which is to study financial questions and on which the Balkan Allies will be represented.
5. The Allies agree with the Powers that war shall cease as soon as the above conditions have been favorably received.

Blockading Antivari.

CETTINJE, Montenegro, April 5.—(By Associated Press Cable to Star-Bulletin).—The greatest naval demonstration of the Powers for years is in progress in an effort to force Montenegro to abandon her storming of Scutari. Austrian, Italian, British, German and French warships are blockading Antivari, the Montenegrin port on the Adriatic.

SENSATIONAL SUICIDE TO MISS GUILLOTINE

PARIS, April 5.—(By Associated Press Cable to Star-Bulletin).—A sensational tragedy was recorded today when the anarchist Landit Lacombe, one of the desperadoes of the capital, escaped in an unexplained manner from his cell. When the guards discovered him, he had made his way to the prison roof. As the guards rushed toward him with guns raised, the bandit saluted them today in a battle with the police at the plant of the Columbia Rope Company. One woman and man probably will die. These are Pedro Jose and an unidentified woman, who were shot through the body. The others were shot through the legs and received minor wounds.

The clash was precipitated when the police ordered pickets, who had gathered at the plant, to disperse. The police used their clubs and then revolvers, when the strikers showed fight.

A second clash followed soon after the shooting, some of the strike sympathizers throwing salt into the policemen's eyes. The police then took up a position inside the mill gates, which a number of men on the outside tried to batter down. The mayor thereupon called out the fire department. Lines of hose were turned on the strikers and they were soon dispersed.

ST. PAUL, Minnesota, April 4.—(Special to The Advertiser).—Engaging in a bloody encounter with the police and trampling down women and children, a mob stormed the courtroom here today in a rush for seats to witness the trial of Professor Olesen, who shot and killed Clyde Darling, a laundry wagon driver, after the latter is alleged to have stolen Mrs. Olesen's affections.

Mrs. Olesen is expected to testify today that her husband slew Darling after she confessed her affection for Darling.

County Attorney O'Brien cross-examines Olesen and witnesses strikingly recited his wife's confession.

Olesen is a member of the University of Minnesota.
